

KIOWA RED RIVER CASINO AWARDS \$2.4 MILLION INDIANA JONES & THE LAST CRUSADE™ MEGA JACKPOT®
(Devol, Kan. – August 11, 2009) – The Kiowa Red River Casino awarded the first-ever *Indiana Jones and the Last Crusade™ REELdepth™ Slot MegaJackpot®* on a penny machine, on Monday, August 10th, making a Buffalo Gap, Texas woman a millionaire when she won an incredible \$2,457,187.

The winner, Virginia Cupps, is an office manager who said she visits the casino “about every three months.” Cupps said she had a positive feeling about the winning machine. “The machine was hitting earlier and it seemed like a dang good machine” she commented. After investing only \$8, the *MegaJackpot®* winner reported being surprised and excited to learn she had won the top progressive prize. “I didn’t know if I hit the \$10,000 or the big one!” she explained. The new millionaire said she will continue working at her present job for “one more year” and will use her winnings to pay off all her bills, and plans to spend some on her family.

Friday’s jackpot is the first-ever to be awarded on the *Indiana Jones and the Last Crusade™ REELdepth™ Slot* progressive system. It is also the first so far this year, and the single largest *MegaJackpot®* be paid at the Kiowa Red River Casino. The casino has now awarded four *MegaJackpot®* prizes totaling an impressive \$2.9 million. Two of those prizes were paid on the *Wheel of Fortune®* quarters progressive, one of the most popular IGT systems. The casino also paid a \$296,039 *MegaJackpot®* on the quirky and nostalgic *The Beverly Hillbillies™* penny progressive system. The Kiowa Red River Casino, along with over 300 other tribal casinos across the nation, belongs to a 17-state Native American progressive gaming network. Anytime a coin is played in a linked machine, anywhere in the network, the cumulative jackpot continues to grow until it is won.

The *Indiana Jones™ and the Last Crusade™ REELdepth™ Slot* is the first *MegaJackpots®* theme to join the *REELdepth™* family. *REELdepth™* games feature IGT’s one-of-a-kind, 3-D-like *Multi-Layer Display®™ (MLD®)* technology. This 5-reel, 40-payline, game features a top-box bonus with a 20-stop wheel. Vivid animation celebration sequences happen with a winning symbol combination, flames surround the reels when the trigger symbols hit and movie clips play when the bonus is complete. This game takes players on a virtual 3-D ride filled with planes, snakes and Indy himself. Players will instantly recognize this movie classic and its legendary tune from anywhere on a casino floor. The *Indiana Jones™ and the Last Crusade™ REELdepth™ Slot* is available in penny, two-cent and nickel denominations. The progressive has a starting jackpot amount of \$400,000. For more information about IGT’s new *REELdepth™* games, and to check availability in particular jurisdictions, visit the IGT web site at www.IGT.com/REELdepth. The *Indiana Jones and the Last Crusade™* system was developed by IGT (www.IGT.com), a global company specializing in the design, development, manufacturing, distribution and sales of computerized gaming machines and systems products. All IGT *MegaJackpots®* top awards are

paid in annual installments upon verification, except *MegaJackpots Instant Winners Jackpots™* awards, which are paid in their entirety upon verification.
